Notes :

1. The above standalone financial results have been reviewed and recommended for adoption by the Audit Committee to the Board of Directors. The same has been approved by the Board at its meeting held on May 3, 2019.
2. The Company's appeal in the Supreme Court, against the National Company Law Appellate Tribunal order upholding the Competition Commission of India ("CCI") orders (relating to cement segment) levying a penalty of Rs.274.02 crores on the Company has been admitted. The Company believes it has a strong case on merits and accordingly no provision has been recognized in the financial statements.
3. Post the applicability of Goods and Services Tax (GST) with effect from July 1, 2017, revenue from operations is disclosed net of GST and prior to that excise duty on sales were grossed up with sales and disclosed separately as an expense. Accordingly, the revenue from operations and other expenditures for the year ended March 31, 2019 are not comparable with the year ended March 31, 2018 presented in the results.
4. Other operating income for the quarter and year ended March 31, 2019 includes Rs. 71.24 crores on account of credit of duty paid on fulfilment of export obligation by utilizing prior year exports of other divisions based on endorsements received during the quarter from Director General of Foreign Trade. Further provision towards interest on such obligation amounting to Rs.56.48 crores has been written back and included in Other Income. Other operating income also includes gain on sale of Transferable Development Rights (TDR) amounting to Rs.160.16 crores for the year ended March 31, 2019 and Rs.79.63 crores for the quarter and year ended March 31, 2018.
5. On October 24, 2018, the shareholders of the Company have approved the Scheme of Arrangement ("scheme") between the Company and UltraTech Cement Limited ("UTCL") to demerge its cement business (comprising of all assets and liabilities including borrowings of Rs. 3,000 crores) in to UTCL for a consideration of 1 equity share in UTCL for every 8 shares in the Company to be issued by UTCL to the eligible shareholders of the Company. The scheme is yet to be approved by National Company Law Tribunal. Accordingly the assets and liabilities of cement business are classified as assets held for distribution and the results of the operations have been classified as Discontinued operations.
6. During the previous year, on receipt of sale consideration and on fulfilment of all closing conditions as per the signed business transfer agreement (BTA), the Company had recognized the sale of its Yarn and Denim units ("Y&D units") (included in Textiles segment). Pursuant to the objections raised by the workers of Y&D units against the said business transfer, the Company has during the year terminated the BTA, refunded the sale consideration and has obtained back the possession of the Y&D units. The Company is currently exploring various alternatives including sale to other buyers and accordingly has classified the results of the operations as Discontinued operations. During the quarter the Company has recognized a provision for restructuring cost relating to the units amounting to Rs. 25.49 crores.
7. The Company has adopted Ind AS 115 'Revenue from Contracts with Customers' with effect from April 1, 2018, using the modified retrospective method. The application of Ind AS 115 did not have any significant impact on retained earnings as at April 1, 2018. Also the application of Ind AS 115 did not have any significant impact on the recognition and measurement of revenue and related items in the financial results for the quarter and year ended March 31, 2018.
8. During the previous year, the Company has granted the right to manage and operate the Company's Viscose Filament Yarn ('VFY') business, which is part of Textile segment, to Grasim Industries Limited ('GIL'), for a duration of 15 years effective from February 1, 2018. As a part of consideration, GIL had paid an upfront royalty of Rs. 600.00 crores. The Company is recognizing royalty over the period of 15 years on pro-rata basis. Accordingly, the figures of the quarter and year ended March 31, 2019 are strictly not comparable with the quarter and year ended March 31, 2018.
9. The Board of Directors has recommended an increase in dividend to Rs. 7.50 (Rupees Seven and paise fifty only) per equity share of Rs.10/- each equivalent to 75% on paid up equity share capital of the Company for the year ended March 31, 2019 as against Rs. 6.50 per equity share declared previous year.
10. The figures of the quarter ended March 31, 2019 and March 31, 2018 are the balancing figures between audited figures in respect of the full financial years and the unaudited published year-to-date figures upto December 31 for respective years which are subjected to limited review.
11. The company is organised into business divisions based on its products and services and has five reportable segments, as follows:
 - (a) "Textiles" include Yarn, Fabric, Viscose Filament Yarn and Tyre Yarn (Refer Note 6 and 8)
 - (b) "Cement" includes Cement and Clinker (Refer Note 5)

Notes :

1. The consolidated financial results have been reviewed and recommended for adoption by the Audit Committee to the Board of Directors and have been approved by the Board at its meeting held on May 3, 2019.
2. The Company's appeal in the Supreme Court, against the National Company Law Appellate Tribunal order upholding the Competition Commission of India ("CCI") orders levying a penalty of Rs.274.02 crores on the Company has been admitted. The Company believes it has a strong case on merits and accordingly no provision has been recognized in the financial statements.
3. Post the applicability of Goods and Services Tax (GST) with effect from July 1, 2017, revenue from operations is disclosed net of GST and prior to that excise duty on sales were grossed up with sales and disclosed separately as an expense. Accordingly, the revenue from operations and other expenditures for the year ended March 31, 2019 are not comparable with the year ended March 31, 2018 presented in the results.
4. Other operating income for the year ended March 31, 2019 includes Rs. 71.24 crores on account of credit of duty paid on fulfilment of export obligation by utilizing prior year exports of other divisions based on endorsements received during the year from Director General of Foreign Trade. Further provision towards interest on such obligation amounting to Rs.56.48 crores has been written back and included in Other Income. Other operating income also includes gain on sale of Transferable Development Rights (TDR) amounting to Rs.160.16 crores for the year ended March 31, 2019 and Rs.79.63 crores for the year ended March 31, 2018.
5. On October 24, 2018, the shareholders of the Company have approved the Scheme of Arrangement ("scheme") between the Company and UltraTech Cement Limited ("UTCL") to demerge its cement business (comprising of all assets and liabilities including borrowings of Rs. 3,000 crores) in to UTCL for a consideration of 1 equity share in UTCL for every 8 shares in the Company to be issued by UTCL to the eligible shareholders of the Company. The scheme is yet to be approved by National Company Law Tribunal. Accordingly the assets and liabilities of cement business are classified as assets held for distribution and the results of the operations have been classified as Discontinued operations.
6. During the previous year, on receipt of sale consideration and on fulfilment of all closing conditions as per the signed business transfer agreement (BTA), the Company had recognized the sale of its Yarn and Denim units ("Y&D units") (included in Textiles segment). Pursuant to the objections raised by the workers of Y&D units against the said business transfer, the Company has during the year terminated the BTA, refunded the sale consideration and has obtained back the possession of the Y&D units. The Company is currently exploring various alternatives including sale to other buyers and accordingly has classified the results of the operations as Discontinued operations. During the year the Company has recognized a provision for restructuring cost relating to the units amounting to Rs. 25.49 crores.
7. The Company has adopted Ind AS 115 'Revenue from Contracts with Customers' with effect from April 1, 2018, using the modified retrospective method. The application of Ind AS 115 did not have any significant impact on retained earnings as at April 1, 2018. Also the application of Ind AS 115 did not have any significant impact on the recognition and measurement of revenue and related items in the financial results for the year ended March 31, 2018.
8. During the previous year, the Company has granted the right to manage and operate the Company's Viscose Filament Yarn ("VFY") business, which is part of Textile segment, to Grasim Industries Limited ("GIL"), for a duration of 15 years effective from February 1, 2018. As a part of consideration, GIL had paid an upfront royalty of Rs. 600.00 crores. The Company is recognizing royalty over the period of 15 years on pro-rata basis. Accordingly, the figures of the year ended March 31, 2019 are strictly not comparable with the year ended March 31, 2018.
9. The Board of Directors has recommended an increase in dividend to Rs. 7.50 (Rupees Seven and paise fifty only) per equity share of Rs.10/- each equivalent to 75% on paid up equity share capital of the Company for the year ended March 31, 2019 as against Rs. 6.50 per equity share declared previous year.
